PROJECT HISTORY	
Reasons Project was Adopted (please describe):	Drug-free Indonesia Global Concern was established out of concern for the increasing drug abuse problem amongst youths in Indonesia.
Milestones (achievement, date):	During Drug-free Indonesia's short existence it has achieved to raise over SGD3,000. This astounding amount of funds has been collected through several awareness raising and fundraising events.
PROJECT ACHIEVEMENTS & IMPACT	
Fundraising Achievements (please list):	The UWCSEA mufti day held on 21 September 2007. This fundraiser was achieved through every member of the community donating SGD2 for wearing their own personal attire in place of their everyday school uniform (students) or work outfits (teachers and other members of staff). A further two "toasties nights" have been hosted by boarding member of the Drug-free Indonesia GC at Mahindra House, a boarding house of UWCSEA. This fundraiser was held by selling food such as toasties and nachos as well as ice cream. The UWCSEA community fair, also opened up opportunities for fund raising and creating awareness. A teddy-bear drive allowed the global concern to raise around SGD600, with the help of the very popular slogan - "hugs not drugs", the global concern achieved to raise a lot of awareness throughout the UWCSEA community of the drug abuse concern among Indonesian youths. An upcoming "Twisted Teachers Tournament" is still in its planning stages; however the event has been confirmed by the GC exec. This tournament was collaborated in effort to raise fund in order to support the YCAB organisation in Indonesia. Also, to raise awareness of the global concerns existence along with its aims.
Awareness-Raising	The Grade 10 parents evening opened an opportunity for the

Achievements (please list):	selling of brownies, this event mainly aided the global concern to raise awareness of its existence to the wider UWCSEA community i.e. parents. An article was also published in the <i>Dunia</i> .
