

LADAKH PROJECT
UNITED WORLD COLLEGE OF SOUTH EAST ASIA
FOR THE ACADEMIC YEAR AUGUST 2008 – JULY 2009

Executive Summary:

Ladakh GC is an independent global concern focusing on helping the children in Leh and the surrounding area in Ladakh. The global concern focuses on the raising of necessary funds to help out the children. Specific regions of support are sponsoring children to attend the Lamdon school, funding new equipment for the school, construction of school buildings for expansion and the running of a dental clinic. The Ladakh GC objectives are to support these children as much as we can with their education. Also to make sure the children of the Lamdon school have proper healthcare such as the dental clinic, within easy access.

Case / Mission Statement:

To help provide education and healthcare for children at Lamdon School.

Description of Programmes, Services & Activities:

Lamdon Socila Welfare Society provides education and healthcare for the community in and around Leh.

Outcomes / Impact of Activities: *(description on the outcomes and impact the programmes will have to the communities reached out to)*

- 25 children are currently funded to attend Lamdon School.
- every child at the school received a toothbrush, toothpaste and a dental examination

Future Plans: *(describe short term goals that the IPAC group intends to achieve within the following academic calendar)*

Continue to sponsor children to attend Lamdon School. The target is to increase to 30 children. Provide funds to assist with the completion of the new boys' hostel
