Executive Summary: *(please provide a general descriptive of the recipient organisation's name, the cause it supports and the objectives that the UWCSEA IPAC initiative sets out to achieve)*

Shree Mangal Dvip (SMD) School in Kathmandu offer education, housing, medical and dental care to hundreds of mountain kids. The school aims to preserve the culture, language and the Buddhist way of life of the Nepalese. This will in turn provide the children with effective tools to build a better future, so that they in turn can help their communities when they grow up.

Case / Mission Statement: *(please list the mission statement of the IPAC initiative)*

To provide long-term support to SMD school in the form of funds and awareness from the UWCSEA community to aid the education of Nepalese children.

Description of Programmes, Services & Activities: *(please describe what programmes, services and activities the benefiting organisation engages in during the 2007-2008 academic calendar year)*

Programmes

Education for Nepalese children from Nursery – Grade 10

Services

Prayer teaching

Collecting clothes for people in Kathmandu

Future Plans: *(describe short term goals that the IPAC group intends to achieve within the following school calendar)*

We aim to:

- Raise awareness of the school's purpose within the UWCSEA community.
- Raise funds to provide multivitamins, and other vital food sources.
- Provide funding for scholarships for students in Grade 11.
